Dear Sarah,

**LETTER OF AWARD: INTERIM GREEN TICK® SUSTAINABLE CERTIFICATION TO  
CARRYMATE PRODUCT DECK**

The Green Tick® Certification Board is pleased to advise you that following a meeting of the Board today, it has been agreed to grant an Interim Green Tick® Sustainable Certification for the CarryMate Product Deck.

The award of an Interim Certification requires Minor Non-Conformances as detailed in the independent auditor's report to be resolved within two months' time. This is a special process for Start-Up Businesses. Once the Minor Non-Conformances are resolved, full certification for a period of three years will be automatically granted.

We look forward to working with you to promote your innovative certified sustainable product to the world.

Congratulations,

  
Ashley Harris  
Chairman Certification Board
